Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O. G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 9/18/03 has been entered.

Allowable Subject Matter

2. Claims 1-7, 14-32, 50, 52-54, and 58-91 are allowed. The following is an Examiner's statement of reasons for allowance: Applicants' hydrochloride salt is novel over Allen ('721), which is drawn to mesylate salts. Allen ('721) is the patent arising from application 09/355,534. Applicant's hydrochloride salt is patentable over Norris ('040). Norris ('040) has inventors in common with the present application, a different assignee, and has an earlier filing date. Norris ('040) teaches crystallization of the hydrochloride salt from a variety of alcohol solvents but is silent as to the new crystalline form presently claimed. Norris ('040) also does not teach recrystallization from alcohol solvents but rather teaches using HCl and the alcohols to establish crystallinity. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such

submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

3. Information regarding the status of an application should be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at (866) 217-9197 (toll-free). All Post-Allowance correspondence concerning this application must be mailed to the following address:

Box Issue Fee Commissioner for Patents Washington, DC 20231.

Such correspondence (amendments under 37 CFR 1.312, IDS statements, formal drawings etc) also may be faxed to the Office of Patent Publications at (703) 308-5083. Sending Post-Allowance papers to Technology Center 1600 will only cause delays in matching papers with the case.
